ABOUT THE AWARDS

INDIA 5000 Business Awards is India's biggest privately organized business awards showcasing the innovative achievements with bigger spark, which is influential in remaking the future of Indian Business.

A PERFECT OPPORTUNITY IS WAITING FOR YOU...

We invite you all to enjoy the important moments with a perfect opportunity, which will give you the well-deserved and best recognition. **INDIA 5000 Business Awards** is dedicated to celebrate the real spirit of business, entrepreneurship and leadership in India.

SUCCESS COMES ONLY TO THOSE...

That work hard in the mid nights for thinking ideas and taking initiatives beyond the excellence to get them transformed into successful business propositions, which have the potential of transforming the world.

GET RECOGNIZED...

The **INDIA 5000 Business Awards** is our honest effort to recognize the excellent business ideas, ventures and wonderful people behind them that make it happen at any cost!

GET AWARDED FOR YOUR COURAGE...

In today's world where the systems have become smarter and the environment has more encouraging for business, it's extremely encouraging to observe overwhelming participations by a huge group of courageous decision makers whose innovations are transforming the whole world!

WHY INDIA 5000 AWARDS?

COMPLETE TRANSPARENCY

Certainly, the level of competitiveness is strong in our **Business Awards** because it won't be worth without it. We also have a strong and transparent judging process, which means all the applicants know that they will get awards only on the merit.

BEST QUALITY

With time, our reputation and the prestige related with winning the accolades has increased. And with time, the quality and the number of companies taking part has increased.

BUSINESS COMMUNITY

This growing number of different applicants has also allowed us to create a distinctive community of business professionals from diverse industries that are inspired to meet, interrelate, and share the ideas through our webinars, alumni groups and conferences.

PROBLEM SOLVING

The **INDIA 5000 Business Awards** brings all the compatible organizations together, providing bigger players from various industries, an exclusive opportunity of doing business and solve key problems.

At **INDIA 5000 Business Awards**, we follow a very easy and straightforward selection procedure. Let's take a quick look at it:

APPLICATION SCREENING

Initially, we invite applications for all our awards categories and all the applications go through the application screening procedure to check the authenticity of applications. All the applications should be submitted in the required format with required documents attached.

DOCUMENT VERIFICATION

After getting all the applications, we start our verification process where all the submitted applications and documents get verified for the authenticity.

SHORT LISTING CONFIRMATION

After the verification process is completed, we shortlist the candidates or companies and send them confirmation about their selection for **INDIA 5000 Business Awards**.

PREMISES VISIT

After sending the selection confirmation, our team will visit your premises **if required** for physical verification and confirmation of the company and its workings.

FINAL EVALUATION

After document verification and premises visit, your application goes for final evaluation.

SELECTION COMMITTEE'S ASSESSMENT

After doing the final evaluation, our selection committee does the last and final assessment to choose the winners.

WINNERS GET INFORMED THROUGH MAIL

The winners get informed through mail with all the further procedures and proceedings.

WINNERS' LIST PUBLISHED

After selection of winners, we publish the final list of **INDIA 5000 Business Awards** winners.

TROPHY STORY

Solid concrete base starts with your Name on the trophy! Nothing is more important except strong concrete base to stand anywhere. This represents Growth, Solid Foundation & Strong Vision to grow.

You can get your name carved to the strong concrete base as well! This represents your identity, hard work and dedication towards your brand which will make your name worth on the trophy!

As everybody starts their professional journey from the scratch, the two golden pillars in the trophy represents your growth from the scratch to higher levels.

These two pillars touching one worthy round which is the topmost part of the trophy and it represents that the individual who has started their journey from the scratch, can also achieve the topmost and valuable position in any professional field.

Touching the turn represents that achieving this fame will change your path into a smoother one with endless professional growth! It represents a full circle of life, where one has to start and end at some point however, what's important is the journey!
